

## Jillian Halladay

BScN, RN, MSc

PhD Candidate

Department of Health Research Methods, Evidence, and Impact

McMaster University

email: halladje@mcmaster.ca

### EDUCATION

---

**PhD (in progress)**, Health Research Methodology 2018 - present  
McMaster University

- Dissertation (in progress): Examining the co-occurrence of substance use and mental health symptomatology among youth in the general population and clinical settings
- Comprehensive Exam Study (completed, passed with Distinction): Multilevel missing data strategies: A case study examining the associations between social and emotional learning on student academic achievement using a large three-level data set

**Master's of Science in Clinical Epidemiology** 2015 - 2018  
McMaster University

- Thesis: Temporal trends in the association between cannabis use and mental health in a nationally representative sample of Canadian young and older adults

**Bachelor's of Science in Nursing** 2011 - 2015  
McMaster University

### RESEARCH FUNDING

---

2019 - 2021 Hamilton Health Sciences New Investigator Fund  
The CAMP Study, cannabis and alcohol use in an acute clinical sample of youth  
Role: Principal Investigator  
Total Funding: \$37,000 (CAD)

2018 - 2021 CIHR Doctoral Research Training Award  
Purpose: To support doctoral studies  
Total Funding: \$105,000 (CAD)

### PEER REVIEWED PUBLICATIONS

---

- Dawdy, J., **Halladay, J., Carrasco-Labra, A., Araya, I., Yanine, N., Brignardello-Petersen, R. (2017).** Efficacy of adjuvant laser therapy in reducing post-surgical complications after the removal of impacted mandibular third molars: Systematic review update. *The Journal of the American Dental Association, 148*(12), 887-902.e4.

## **PUBLICATIONS: IN PROGRESS**

---

**Halladay, J., Amlung, M., MacKillop, J., Munn, C., Horricks, L., Nasir, Z., Woock, R., Georgiades, K.**  
Substance use in a youth psychiatric inpatient sample: feasibility outcomes from a pilot study.  
(*Nearing submission*).

Meenu, M., Belisario, K., González-Roz, A., **Halladay, J.**, Murphy, J., MacKillop, J. COVID-19 impacts on drinking and mental health in emerging adults: longitudinal changes and moderation by economic disruption and sex. (*Under review*).

## **RESEARCH EXPERIENCE**

---

### **Research Associate and Lead of Program Development**

August 2020 - Present

St. Joseph's Hospital and the Peter Boris Centre for Addictions Research

- Leading program development and evaluation for a novel evidence-based Emerging Adult Concurrent Disorders Outpatient Program
- Leading literature reviews and environmental scans, consultations with international research and clinical experts, and meetings with local stakeholders including youth consultations
- Assisting with program manualization and creation of materials
- Building the infrastructure for research and measurement-based care (e.g., RedCap, ethics application, personalized feedback reports)

### **Principal Investigator**

April 2019 - Present

- The CAMP Study: Exploration of cannabis and alcohol use among an acute clinical sample of youth on an inpatient psychiatric unit
- Four parts to the study: in person questionnaire for youth, follow-up questionnaire for youth, chart reviews for youth, and a staff survey
- Involved training and supervising research assistants for recruitment, data collection, chart reviews, data cleaning, and report generation
- Funding: Hamilton Health Sciences New Investigator Fund

### **Project Consultant, Cannabis Guide**

April 2019 - August 2019

School Mental Health Ontario, Ministry of Education

- Co-developed "A Practice Guide for School Mental Health Professionals: School-based Interventions Related to Cannabis Use"
- Co-facilitated a 2-day "train the trainer" conference for School Mental Health Leads and professionals across Ontario

### **Research Assistant, Systematic Review Lead**

January 2018 - April 2019

Michael G. DeGroot Centre for Medicinal Cannabis &  
Peter Boris Centre for Addictions Research

- Project lead for a systematic review on brief interventions for cannabis use in emerging adults

### **Research Assistant, Mental Health Education**

January 2018 - June 2018

Professor Hippo-on-Campus at McMaster University

- Involved in the development and refinement of the sampling approach, measurement selection, and analysis strategy (including the ethics submission and revisions) for an educational video series on student mental health for staff in post-secondary settings
- Responsible for writing the methodology section, conducting the data analyses, and writing the results section of the report and for presentations

**Research Internship**

Offord Centre for Child Studies

March 2015 - March 2018

- Focus on quantitative methodology, including multilevel modeling and analytical techniques for large population surveys
- Conceived of, designed, and conducted an evaluation of teacher-student relationships and their associations with student mental health help-seeking behaviours using the School Mental Health Surveys

**Research Assistant, Intervention Project**

Arrive and Thrive at McMaster University

November 2015 - November 2018

- Involved in the development and refinement of evidence-informed interventions for post-secondary student coping (both increasing adaptive coping and reducing maladaptive coping)
- Assisted in literature reviews and data analyses for five concurrently running coping-based interventions for students (including exercise-based interventions [walking and adventure running], a mindfulness meditation group, a procrastination group, and a brief intervention for student substance use)

**Quality Improvement Project Research Assistant**

National Depression Care Quality Improvement Project  
McMaster University Student Wellness Centre

January 2014 - March 2015

**RESEARCH CONSULTATIONS**

---

**Consultant, Canadian Nurses Association**

Cannabis and Psychosis Nursing Education

June 2020

**Consultant, Canadian Centre for Substance use and Addiction**

Brief Intervention for Cannabis Use: Self completed workbook

January 2020

**Independent Contractor, RAND**

Using 'Getting to Outcomes' for possible interventions for the US Air National Guard

- Served as a subject matter expert to review and provide feedback regarding brief interventions, measurement, and monitoring for the following topics: alcohol misuse, work-life balance, and healthy relationships and communication

December 2019

**TEACHING EXPERIENCE**

---

**Guest Lecturer/Facilitator, Coping with COVID and Stress**

McMaster University

May 2020

- Online module: "Mind your body: Exercise to improve your physical health, mental health, and focus"

**Teaching Assistant, Health Measurement (graduate)**

McMaster University Department of Health Research Methods, Evidence, and Impact

January 2020 - Present

- Invited talk: "Measuring Cannabis Consequences: identify, evaluate, and apply" January 2020 and 2021
- Invited lecture: "Structural Equation Modelling (SEM) for Confirmatory Factor Analysis" March 5, 2021

<b>Guest Lecturer/Facilitator, Health Policy (invited)</b> Laurier University	October 2019
<ul style="list-style-type: none"> <li>Title: "The buzz kill on current high expectations of cannabis"</li> </ul>	
<b>Sessional Instructor, Nursing Research</b> McMaster University School of Nursing	April 2017 - Present
<ul style="list-style-type: none"> <li>Taught both in person and online</li> </ul>	
<b>Undergraduate Thesis Co-supervisor</b>	April 2019 – April 2020
<ul style="list-style-type: none"> <li>Student thesis: Professor Hippo-on-Campus: a pilot study for a student mental health education program for educators and navigators</li> <li>Co-supervision with Dr. Catharine Munn</li> </ul>	

## **CLINICAL EXPERIENCE**

---

<b>Registered Nurse, Child &amp; Youth Mental Health</b> McMaster Children's Hospital, Hamilton, ON	June 2015 - Present
<b>Intervention Lead, Substance Use Counsellor</b> Arrive and Thrive at McMaster University, Hamilton, ON	November 2015 - March 2017

## **PROFESSIONAL & ACADEMIC ORGANIZATIONS**

---

<b>Mental Health Education and Promotion Sub-committee Member</b> Okanagan Mental Health and Well-being Task Force, McMaster University	2021 - present
<b>Society of Addiction Psychology, Social Media Committee Member</b>	2020 - present
<b>Student Affiliate, Division 50: Society of Addiction Psychology</b>	2020 - present
<b>Knowledge User Board Member</b> Michael G. DeGroot Centre for Medicinal Cannabis Research	2019 - 2020
<b>Vice-President, Academic</b> Health Research Methods Student Association McMaster University	2017 - 2020
<b>Member, College of Nurses of Ontario</b>	2015 - present

## **HONOURS & AWARDS**

---

2020	David L. Sackett Graduate Scholarship (\$5,000)
2019	CCSA CIHR Sponsored Poster Presentation Award (\$500 CAD)
2019	McMaster Student Union Teaching Award
2018	Faculty of Health Sciences Graduate Program Outstanding Achievement
2018	Excellence in Oral Presentation Award
2017	Excellence in Poster Presentation Award

2013 - present	Member of the Golden Key Society
2011 - 2015	Dean's List
2014	Dr. Harry Lyman Hooker Scholarship (\$1500 CAD)
2011 - 2014	General Undergraduate Bursary (\$2150 CAD)
2011 - 2014	Queen Elizabeth Scholarship (\$6144 CAD)
2011	McMaster Honour Award, Level 3 (\$1200 CAD)
2011	Pittsburgh Township Community Scholarship (\$1000 CAD)

### **CERTIFICATIONS & CONTINUING TRAINING**

---

2021	Community Reinforcement Approach and Family Training ( <i>scheduled March</i> )
2020	Dialectical Behavioural Therapy Training
2019	Emotion Focused Skills Training
Renewed Annually	Nonviolent Crisis Intervention Training
Renewed Annually	Certified in Red Cross Emergency First Aid and CPR Level HCP
2015 - 2017	Quarterly Dialectical Behavioural Therapy Staff Skills Group
2016	Pediatric Venipuncture Training
2016	Motivational Interviewing Introductory and Advanced Courses
2015	Licensed Registered Nurse in Ontario
2014	Certified in Mental Health First Aid

### **PRESENTATIONS**

---

#### *Conference Oral Presentations*

**Halladay, J., Amlung, M., Munn, C., MacKillop, J., Horricks, L., Georgiades, K. (2020, November).** The CAMP Study: Exploring Cannabis & Alcohol Use Among an Acute Clinical Sample of Youth. International Society of Addiction Medicine and Canadian Society of Addiction Medicine Annual Meeting and Scientific Conference. Virtual.

**Halladay, J., Amlung, M., Munn, C., MacKillop, J., Horricks, L., Georgiades, K. (2020, July).** The CAMP Study: Exploring Cannabis and Other Substance Use in an Acute Mental Health Clinical Sample of Youth. Association for Public Policy Analysis and Management International Conference. Virtual.

**Halladay, J., Amlung, M., Munn, C., MacKillop, J., Horricks, L., Georgiades, K. (2020).** Learning from a study of substance use on an inpatient youth mental health unit: a discussion of methodological and ethical considerations. Legacy Research Conference, Arthur Labatt School of Nursing, Western University. London, Canada. (conference cancelled).

**Halladay, J.** (2019, October). Brief Interventions for Cannabis Abuse among Emerging Adults: Recent Results from a Meta-analysis. Preconference: Substance use trajectories, brief interventions, and collaborative care for emerging adults. Society for the Study of Emerging Adulthood. Ottawa, Canada.

Ogrodnik, M., **Halladay, J.**, Fenesi, B., Heisz, J., & Georgiades, K. (2019, June). The role of attentional control in the association between physical activity and academic performance: Results from a large sample of Ontario students. North American Society for the Psychology of Sport and Physical Activity, Baltimore, United States.

Munn, C., **Halladay, J.**, Carter, N. (2019, April). Mindfulness for children and youth. 19<sup>th</sup> Annual Practical Pediatrics Conference. Hamilton, Canada.

**Halladay, J.** (2018, October). Temporal trends in the association between cannabis use & mental health in a nationally representative sample of Canadian young & middle-aged adults. Canadian Society of Addiction Medicine Annual Meeting (accepted). Vancouver, Canada.

**Halladay, J.** (2018, May). Exploring the relationship between cannabis & emotional problems using Canadian population data: Moderating effects of frequency of use, female sex, developmental age, and time. Faculty of Health Sciences Research Plenary. Hamilton, Canada.

Munn, C., **Halladay, J.**, Fein, A., MacKillop, J. (2017, October). "Pause": development and feasibility of a novel SBIRT program targeting marijuana, alcohol and tobacco use among university students. Canadian Society of Addiction Medicine Annual Meeting and Scientific Conference, Niagara Falls, Canada. *Presented on behalf of Dr. Munn.*

Munn, C., MacKillop, J., Fein, A., **Halladay, J.** (2016, October). Pause: A novel SBIRT initiative for alcohol and marijuana targeting University students. International Society of Addictions Medicine Conference, Montreal, Canada.

**Halladay, J.**, Earl, D., Kent, R., McLeod, D., Young, J., Nifakis, D., & Munn, C. (2014, January). NCDP McMaster University: Our successes and challenges. National College Depression Partnership: Learning Session 3, New York, United States.

#### *Other Oral Presentations*

**Halladay, J.** (2020, August). Teacher-Student Relationships and Mental Health Help-Seeking Behaviour among Elementary and Secondary Students in Ontario. Lanark County Child and Youth Services Collaborative. Virtual.

**Halladay, J.** (2020, January). The CAMP Study: Preliminary Results. Ron Joyce Children's Health Centre Rounds. Hamilton, Canada.

**Halladay, J.** (2019, January). The high and the lows of cannabis: Cannabis and internalizing disorders among youth. Offord Centre for Child Studies Lunch and Learn. Hamilton, Ontario.

**Halladay, J.** (2018, October). The high and the low (Webinar). The Ontario Health Schools Coalition Web-Meeting. Ontario, Canada.

**Halladay, J.** (2018, October). The high and the lows of cannabis: Depression, anxiety, and suicide. Ron Joyce Children's Health Centre Rounds. Hamilton, Canada.

**Halladay, J.** (2018, May). The high and the low. 3-Minute Thesis Competition, Hamilton, Canada.

*Poster Presentations*

- Halladay, J., Munn, C., Horricks, L., MacKillop, J., Amlung, M., Georgiades, K. (2021).** Substance use in a youth psychiatric inpatient sample: feasibility outcomes from a pilot study. CAMH Cannabis Knowledge Exchange Forum. Toronto, Canada [Virtual Poster].
- Halladay, J., Amlung, M., Munn, C., MacKillop, J., Horricks, L., Georgiades, K. (2020, October).** The CAMP Study: Exploring cannabis and alcohol use among an acute clinical sample of youth. Hamilton Health Sciences Research Awareness Month. Hamilton, Canada [Virtual Poster].
- Halladay, J., Amlung, M., Munn, C., MacKillop, J., Horricks, L., Georgiades, K. (2020, April).** The CAMP Study: Exploring cannabis and alcohol use among an acute clinical sample of youth. Collaborative Perspectives of Addiction. San Diego, United States [Virtual Poster].
- Halladay, J., & Munn, C. (2019, November).** Brief Interventions for Cannabis Use among Emerging Adults: A Systematic Review of Existing Studies and Protocol for a Novel Intervention. Canadian Centre on Substance Use and Addiction's Issues of Substance 2019 conference. Ottawa, Canada.
- Ogrodnik, M., **Halladay, J., Fenesi, B., Heisz, J., & Georgiades, K. (2019, July)** The relationship between physical activity, attention, and academic performance: Results from a large sample of Ontario students. McMaster Symposium on Education and Cognition, Hamilton, Canada.
- Halladay, J., Favotto, L., El-Khechen, H., Aryal, K., Kiflen, M., Woock, R\*, Noori, A., Munn, C., MacKillop, J., Amlung, M., Georgiades, K. (2019, May).** Patterns of adolescent substance use and symptoms of mental disorders: a systematic review and latent profile analysis using two representative samples of Ontario adolescents. 31st Annual McMaster Psychiatry Research Day. Hamilton, Canada.
- Xu, A., **Halladay, J., Woock, R., Scherer, J., Petker, T., Linton, V., MacKillop, J., Munn, C. (2019, May).** Mapping the evidence of brief interventions for cannabis use among emerging adults. 31st Annual McMaster Psychiatry Research Day. Hamilton, Canada.
- Woock, R. **Halladay, J., Xu, A., Scherer, J., Petker, T., Linton, V., MacKillop, J., Munn, C. (2019, May).** Brief interventions for cannabis use among emerging adults: A systematic review and meta-analysis. 31st Annual McMaster Psychiatry Research Day. Hamilton, Canada.
- Halladay, J., Munn, C., MacKillop, J., Amlung, M., Georgiades, K. (2019, April).** Patterns of youth substance use and symptoms of mental health disorders: a latent profile analysis of youth in Ontario, Canada. Collaborative Perspectives on Addiction Annual Meeting. Providence, United States.
- Halladay, J. and Georgiades, K. (2019, March).** Measuring mental health and mental illness in a representative sample of Canadian emerging adults. Health Research Methods, Evidence, and Impact Research Day. Hamilton, Canada.
- Halladay, J., Scherer, J., Woock, R., MacKillop, J., Petker, T., Linton, V., Munn, C. (2019, March).** Brief interventions for cannabis use in emerging adults: a systematic review, meta-analysis, and evidence map. Health Research Methods, Evidence, and Impact Research Day. Hamilton, Canada.
- Halladay, J., MacKillop, J., Boyle, M., Georgiades, K. (2018, October).** School contextual level influences and student substance use: A multilevel approach in a large sample of adolescents. Canadian Society of Addiction Medicine Annual Meeting. Niagara Falls, Canada.
- Halladay, J., MacKillop, J., Georgiades, K. (2018, October).** School factors and cannabis use in a large sample of adolescents. 30th Annual Research Day Department of Psychiatry and Behavioural Neurosciences. Montreal, Canada.

- Halladay, J., Boyle, M., Munn, C., Jack, S., Georgiades, K. (2018, March).** Moderating effects of female sex on the relationship between marijuana use and psychological distress, depression, and suicidal behaviours among Canadians. Health Research Methods, Evidence, and Impact Research Day. Hamilton, Canada.
