EDUCATION

PhD (defense May 2022), Health Research Methodology 2018 - 2022
 McMaster University

- Dissertation (in progress): Examining the co-occurrence of substance use and mental health symptomatology among youth in the general population and clinical settings
- Comprehensive Exam Study (completed, passed with Distinction): Multilevel missing data strategies: A case study examining the associations between social and emotional learning on student academic achievement using a large three-level data set

Master of Science in Clinical Epidemiology 2015 - 2018
 McMaster University

- Thesis: Temporal trends in the association between cannabis use and mental health in a nationally representative sample of Canadian young and older adults

Bachelor of Science in Nursing 2011 - 2015
 McMaster University

Additional Education

- Introduction to Generalized Linear Mixed Models – The Analysis Factor 2021
- Sex and Gender in Primary Data Collection with Human Participants - CIHR 2021
- Sex and Gender in the Analysis of Secondary Data from Human Participants - CIHR 2021
- An Introduction to Finite Mixture Modeling – The Center for Integrated Latent Variable Research 2020
- Foundations of Structural Equation Modeling – Stats Camp, Todd Little 2019
- Canada Good Clinical Practice (GCP) Investigator – CITI Program 2019
- McMaster University Chart Review Tutorial 2019
- Ethical Conduct for Research Involving Humans Course on Research Ethics (TCPS 2: CORE) 2014

RESEARCH FUNDING

1. Hamilton Health Sciences New Investigator Fund
 The CAMP Study, cannabis and alcohol use in an acute clinical sample of youth
 Role: Principal Investigator
 Total Funding: \$37,000 (CAD)
 2019 - 2021

2. Frayme Great Big Stories Grant
Measuring, understanding, and improving quality of life in a young adult substance use program
Role: Principal Investigator
Total Funding: \$20,000 (CAD)
2021-2022

RESEARCH EXPERIENCE

<p>Research Associate and Lead of Program Development St. Joseph's Hospital and the Peter Boris Centre for Addictions Research</p> <ul style="list-style-type: none"> • Leading program development and evaluation for a novel evidence-based Young Adult Substance Use Program • Leading literature reviews and environmental scans, consultations with international research and clinical experts, and meetings with local stakeholders including youth consultations • Assisting with program manualization and creation of materials • Building the infrastructure for research and measurement-based care 	2020 - Present
<p>Research Assistant, Homewood Research Institute Standard Metrics to Assess Outcomes of Youth Digital Mental Health Interventions Project</p> <ul style="list-style-type: none"> • Assisting with data-extraction for the systematic review and meta-analyses, panel meeting preparation, and manuscript writing 	2021
<p>Project Consultant, Cannabis Guide School Mental Health Ontario, Ministry of Education</p> <ul style="list-style-type: none"> • Co-developed "A Practice Guide for School Mental Health Professionals: School-based Interventions Related to Cannabis Use" • Co-facilitated a 2-day "train the trainer" conference for School Mental Health Leads and professionals across Ontario 	2019
<p>Research Assistant, Systematic Review Lead Michael G. DeGroot Centre for Medicinal Cannabis & Peter Boris Centre for Addictions Research</p> <ul style="list-style-type: none"> • Project lead for a systematic review on brief interventions for cannabis use in emerging adults 	2018 - 2019
<p>Research Assistant, Mental Health Education Professor Hippo-on-Campus at McMaster University</p> <ul style="list-style-type: none"> • Involved in the development and refinement of the sampling approach, measurement selection, and analysis strategy (including the ethics submission and revisions) for an educational video series on student mental health for staff in post-secondary settings • Responsible for writing the methods, conducting the data analyses, and writing the results section of the report and for presentations 	2018
<p>Research Internship Offord Centre for Child Studies</p> <ul style="list-style-type: none"> • Focus on quantitative methodology, including multilevel modeling and analytical techniques for large population surveys using the School Mental Health Surveys 	2015 - 2018
<p>Research Assistant, Intervention Project Arrive and Thrive at McMaster University</p> <ul style="list-style-type: none"> • Involved in the development and refinement of evidence-informed interventions for post-secondary student coping • Assisted in literature reviews and data analyses for five concurrently running coping-based interventions for students (including exercise, mindfulness, procrastination, and a brief substance use interventions) 	2015 - 2018
<p>Quality Improvement Project Research Assistant National Depression Care Quality Improvement Project McMaster University Student Wellness Centre</p>	2014 - 2015

RESEARCH CONSULTATIONS

- Consultant, Canadian Nurses Association** June 2020
Cannabis and Psychosis Nursing Education
- Consultant, Canadian Centre for Substance Use and Addiction** January 2020
Brief Intervention for Cannabis Use: Self completed workbook
- Independent Contractor, RAND** December 2019
'Getting to Outcomes' interventions for the US Air National Guard
- Subject matter expert to provide feedback regarding brief interventions, measurement, and monitoring for the following topics: alcohol misuse, work-life balance, and healthy relationships and communication

CLINICAL EXPERIENCE

- Registered Nurse, Child & Youth Mental Health** 2015 - 2021
McMaster Children's Hospital, Hamilton, ON
- Intervention Lead, Substance Use Counsellor** 2015 - 2017
Arrive and Thrive at McMaster University, Hamilton, ON

TEACHING EXPERIENCE

- Sessional Instructor, Nursing Research** 2017 - Present
McMaster University School of Nursing
- Taught both in person and online
- Teaching Assistant and Guest Lecturer, Health Measurement (graduate)** 2020 - Present
McMaster University Department of Health Research Methods, Evidence, and Impact
- Invited lecture: "Measuring Cannabis Consequences: identify, evaluate, and apply" January 2020 and 2021
 - Invited lecture and workshop: "Structural Equation Modelling (SEM) for Confirmatory Factor Analysis" March 5, 2021 and scheduled 2022
- Instructor, Praxis Pathways "Exercise for Mental Health"** 2022
McMaster University Bachelor of Health Sciences Program
- Virtual module including asynchronous lectures and a synchronous workshop
- Clinical Training, Addiction Psychology Fundamentals** May 2021
Peter Boris Centre for Addictions Research
St. Joseph's Healthcare Hamilton
- Invited talk "Pleasant Activities and Social Support"
 - Training for clinical psychology students and clinical providers within the Young Adult Substance Use Program
- Guest Lecturer/Facilitator, Coping with COVID and Stress** May 2020
McMaster University
- Online module: "Mind your body: Exercise to improve your physical health, mental health, and focus"
- Guest Lecturer/Facilitator, Health Policy (invited)** November 2019
Laurier University
- Title: "The buzz kill on current high expectations of cannabis"

SUPERVISION EXPERIENCE

- Undergraduate Thesis Co-supervisor, Health Sciences** 2021 – 2022
- Student: Marina Boutros Salama
 - Student thesis: Understanding the Wellbeing of Residents and Partners (UnWRaP) Project
 - Co-supervisor with Dr. Catharine Munn and Dr. Enas el Gouhary
- Undergraduate Thesis Co-supervisor, Psychology and Behavioural Neurosciences** 2021 – 2022
- Student: Sadanee Pathiranawasam
 - Student thesis: Co-development and Evaluation of a Mental Health Literacy Program for Graduate Teaching Assistants
 - Co-supervisor with Dr. Catharine Munn
- Research Co-op Supervisor** 2021
- Hamilton Wentworth District School Board
- Andia Willis - The impact that COVID19 has had on the opioid crisis in Canada: A rapid review
 - Brianna Lovisa - How social media and social standards affect youth mental health: A rapid review
- Undergraduate Thesis Co-supervisor, Health and Aging** 2019 – 2020
- Student: Rachel Woock
 - Student thesis: Professor Hippo-on-Campus: a pilot study for a student mental health education program for educators and navigators
 - Co-supervisor with Dr. Catharine Munn

PROFESSIONAL & ACADEMIC ORGANIZATIONS

- Associate, Research Institute of St. Joe's Hamilton** 2022
- Mental Health and Addictions Research Program
- Mental Health Education and Promotion Sub-committee Member** 2021
- Okanagan Mental Health and Well-being Task Force, McMaster University
- Society of Addiction Psychology, Social Media Committee Member** 2020 – 2021
- Student Affiliate, Division 50: Society of Addiction Psychology** 2020 - present
- Knowledge User Board Member** 2019 - 2020
- Michael G. DeGroote Centre for Medicinal Cannabis Research
- Vice-President, Academic** 2017 - 2020
- Health Research Methods Student Association, McMaster University
- Member, College of Nurses of Ontario** 2015 - present

HONOURS & AWARDS

- 2021 - 2022 Health Research Methodology Graduate Studies Award (\$4,000 CAD)
- 2021 CCSA CIHR Sponsored Poster Presentation Award (\$500 CAD)
- 2021 The Association for Child and Adolescent Mental Health Research Trainee of the Year

2018 - 2021	CIHR Doctoral Research Training Award (\$105,000 CAD)
2021	Health Research Methodology Program Award (\$500 CAD)
2021	Faculty of Health Sciences Graduate Program Outstanding Achievement
2020	David L. Sackett Graduate Scholarship (\$5,000 CAD)
2019	CCSA CIHR Sponsored Poster Presentation Award (\$500 CAD)
2019	McMaster Student Union Teaching Award
2018	Faculty of Health Sciences Graduate Program Outstanding Achievement
2018	Excellence in Oral Presentation Award
2017	Excellence in Poster Presentation Award
2013 - present	Member of the Golden Key Society
2011 - 2015	Dean's List
2014	Dr. Harry Lyman Hooker Scholarship (\$1500 CAD)
2011 - 2014	General Undergraduate Bursary (\$2150 CAD)
2011 - 2014	Queen Elizabeth Scholarship (\$6144 CAD)
2011	McMaster Honour Award, Level 3 (\$1200 CAD)
2011	Pittsburgh Township Community Scholarship (\$1000 CAD)

CERTIFICATIONS & CONTINUING TRAINING

Renewed Annually	Certified in Red Cross Emergency First Aid and CPR Level HCP
2022	Professor Hippo-on-Campus Student Mental Health Education Teaching Assistant Workshop, McMaster University
2021	Management of cooccurring alcohol and other drug and mental health conditions in alcohol and other drug treatment settings (Comorbidity Guidelines, Matilda Centre)
2021	Community Reinforcement Approach and Family Training
2020	Professor Hippo-on-Campus Student Mental Health Education Program for Educators and Navigators
2020	Dialectical Behavioural Therapy Training
2020	Professor Hippo-on-Campus Student Mental Health Education Program for Educators and Navigators, McMaster University
2019	Emotion Focused Skills Training
2015-2021	Annual Nonviolent Crisis Intervention Training
2017	Supporting Survivors of Sexual Assault Workshop

2015 - 2017	Quarterly Dialectical Behavioural Therapy Staff Skills Group
2016	Pediatric Venipuncture Training
2016	Motivational Interviewing Introductory and Advanced Courses
2015	Licensed Registered Nurse in Ontario
2014	Certified in Mental Health First Aid

REVIEW ACTIVITIES

Peer reviewer for the following journals:

- International Journal of Drug Policy (articles:1) 2021
- Canadian Journal of Addiction (articles: 1) 2021
- Journal of American College Health (articles: 2) 2021
- Drug and Alcohol Dependence (articles: 2) 2020-2021
- Journal of the Canadian Academy of Child and Adolescent Psychiatry (articles: 2) 2019-2021
- Canadian Medical Association Journal (articles: 1; Reviewer score: 5/5) 2018

Grant reviews

- Committee Member, Frayne: Great Big Stories (GBS) Substance Use Stream Grant (Fall 2021) Adjudication Committee, Organization, Academic Reviewer, Frayne

PRESENTATIONS

Conference Oral Presentations

1. **Halladay**, J., Amarioarei, R., Kennedy, M., King, K., Raymond, H., McCarron, C., Holshausen, K., MacKillop, J. (October 2021). Young adult substance use outpatient program: Program development, patient characteristics, and preliminary outcomes. Canadian Psychiatric Association Annual Conference. Virtual.
2. **Halladay**, J., Horricks, L., Amlung, M., Munn, C., MacKillop, J., Horricks, L., Georgiades, K. (October 2021). The CAMP study: Exploring substance use among in an adolescent psychiatric sample. Canadian Psychiatric Association Annual Conference. Virtual.
3. **Punia**, K., **Halladay**, J., Burns, J., Kennedy, M., King, K., Matthew, M., Venantius, M., Ali, S., McCarron, C., Raymond, H., MacKillop, J. (October 2021). Examining preliminary outcomes from a young adult substance use outpatient program (YA-SUP). Canadian Society of Addiction Medicine Scientific Conference. Virtual [Oral Abstract].
4. **Halladay**, J., Amlung, M., Munn, C., MacKillop, J., Horricks, L., Georgiades, K. (Accepted 2020, Presented 2021, May). Learning from a study of substance use on an inpatient youth mental health unit: a discussion of methodological and ethical considerations. Legacy Research Conference, Arthur Labatt School of Nursing, Western University. London, Canada.
5. **Halladay**, J. (2021, April). David Sackett Graduate Scholarship Recipient Presentation: Optimizing Youth Wellbeing. Health Research Methods, Evidence, and Impact Research Day. Virtual.
6. **Halladay**, J., Amlung, M., Munn, C., MacKillop, J., Horricks, L., Georgiades, K. (2020, November). The CAMP study: Exploring cannabis and alcohol Use among an acute clinical sample of youth. International

Society of Addiction Medicine and Canadian Society of Addiction Medicine Annual Meeting and Scientific Conference. Virtual.

7. **Halladay**, J., Amlung, M., Munn, C., MacKillop, J., Horricks, L., Georgiades, K. (2020, July). The CAMP study: Exploring cannabis and other substance use in an acute mental health clinical sample of youth. Association for Public Policy Analysis and Management International Conference. Virtual.
8. **Halladay**, J. (2019, October). Brief Interventions for Cannabis Abuse among Emerging Adults: Recent Results from a Meta-analysis. Preconference: Substance use trajectories, brief interventions, and collaborative care for emerging adults. Society for the Study of Emerging Adulthood. Ottawa, Canada.
9. Ogrodnik, M., **Halladay**, J., Fenesi, B., Heisz, J., & Georgiades, K. (2019, June). The role of attentional control in the association between physical activity and academic performance: Results from a large sample of Ontario students. North American Society for the Psychology of Sport and Physical Activity, Baltimore, United States.
10. Munn, C., **Halladay**, J., Carter, N. (2019, April). Mindfulness: An introduction to the evidence and practice of mindfulness and meditation in youth. 19th Annual Practical Pediatrics Conference. Hamilton, Canada.
11. **Halladay**, J. (2018, October). Temporal trends in the association between cannabis use and mental health in a nationally representative sample of Canadian young & middle-aged adults. Canadian Society of Addiction Medicine Annual Meeting (accepted). Vancouver, Canada.
12. **Halladay**, J. (2018, May). Exploring the relationship between cannabis and emotional problems using Canadian population data: Moderating effects of frequency of use, female sex, developmental age, and time. Faculty of Health Sciences Research Plenary. Hamilton, Canada.
13. Munn, C., **Halladay**, J., Fein, A., MacKillop, J. (2017, October). "Pause": Development and feasibility of a novel SBIRT program targeting marijuana, alcohol and tobacco use among university students. Canadian Society of Addiction Medicine Annual Meeting and Scientific Conference, Niagara, Canada.
14. Munn, C., MacKillop, J., Fein, A., **Halladay**, J. (2016, October). Pause: A novel SBIRT initiative for alcohol and marijuana targeting University students. International Society of Addictions Medicine Conference, Montreal, Canada.
15. **Halladay**, J., Earl, D., Kent, R., McLeod, D., Young, J., Nifakis, D., & Munn, C. (2014, January). NCDP McMaster University: Our successes and challenges. National College Depression Partnership: Learning Session 3, New York, United States.

Other Oral Presentations

16. **Halladay**, J. (2021, March). Examining the co-occurrence of substance use and mental health concerns among adolescents in the general population and clinical samples. Peter Boris Centre for Addictions Research Seminar Series – Substance Use in Youth. Virtual.
17. **Halladay**, J. (2021, March). CAMP Study Report 2019-2020: Youth substance use prior to psychiatric hospitalization. Ron Joyce Children's Health Centre Rounds. Virtual.
18. **Halladay**, J. (2020, August). Teacher-student relationships and mental health help-seeking behaviour among elementary and secondary students in Ontario. Lanark County Child and Youth Services Collaborative. Virtual.
19. **Halladay**, J. (2020, January). The CAMP study: Preliminary results. Ron Joyce Children's Health Centre Rounds. Hamilton, Canada.
20. **Halladay**, J. (2019, January). The high and the lows of cannabis: Cannabis and internalizing disorders among youth. Offord Centre for Child Studies Lunch and Learn. Hamilton, Ontario.

21. **Halladay, J.** (2018, October). The high and the lows of cannabis (Webinar). The Ontario Health Schools Coalition Web-Meeting. Ontario, Canada.
22. **Halladay, J.** (2018, October). The high and the lows of cannabis: Depression, anxiety, and suicide. Ron Joyce Children's Health Centre Rounds. Hamilton, Canada.
23. **Halladay, J.** (2018, May). The high and the low. 3-Minute Thesis Competition, Hamilton, Canada.

Poster Presentations

24. **Halladay, J., Kennedy, M., King, K., Raymond, H., McCarron, C., MacKillop, J.** (November 2021). Young Adult Substance Use Outpatient Program: Program development, patient characteristics, and preliminary outcomes. Canadian Centre of Substance use and Addiction's Issues of Substance Conference [Virtual Poster].
25. **Halladay, J., MacKillop, J., Munn, C., Amlung, M., Georgiades, K.** (November 2021). Patterns of substance use and mental health symptomatology among elementary and secondary students and schools across Ontario, Canada. Canadian Centre of Substance use and Addiction's Issues of Substance Conference [Virtual Poster].
26. **Halladay, J., MacKillop, J., Amlung, M., Munn, C., Horricks, L., Georgiades, K.** (2021). Substance use predictors of repeat psychiatric hospital visits among adolescents in Ontario. Collaborative Perspectives on Addiction [Virtual Poster].
27. **Halladay, J., Munn, C., Horricks, L., MacKillop, J., Amlung, M., Georgiades, K.** (2021). Substance use in a youth psychiatric inpatient sample: Feasibility outcomes from a pilot study. CAMH Cannabis Knowledge Exchange Forum. Toronto, Canada [Virtual Poster].
28. **Halladay, J., Amlung, M., Munn, C., MacKillop, J., Horricks, L., Georgiades, K.** (2020, October). The CAMP study: Exploring cannabis and alcohol use among an acute clinical sample of youth. Hamilton Health Sciences Research Awareness Month. Hamilton, Canada [Virtual Poster].
29. **Halladay, J., Amlung, M., Munn, C., MacKillop, J., Horricks, L., Georgiades, K.** (2020, April). The CAMP study: Exploring cannabis and alcohol use among an acute clinical sample of youth. Collaborative Perspectives of Addiction. San Diego, United States [Virtual Poster].
30. **Halladay, J., Munn, C.** (2019, November). Brief interventions for cannabis use among emerging adults: A systematic review of existing studies and protocol for a novel intervention. Canadian Centre on Substance Use and Addiction's Issues of Substance 2019 conference. Ottawa, Canada.
31. **Ogrodnik, M., Halladay, J., Fenesi, B., Heisz, J., & Georgiades, K.** (2019, July) The relationship between physical activity, attention, and academic performance: Results from a large sample of Ontario students. McMaster Symposium on Education and Cognition, Hamilton, Canada.
32. **Halladay, J., Favotto, L., El-Khechen, H., Aryal, K., Kiflen, M., Woock, R*, Noori, A., Munn, C., MacKillop, J., Amlung, M., Georgiades, K.** (2019, May). Patterns of adolescent substance use and symptoms of mental disorders: A systematic review and latent profile analysis using two representative samples of Ontario adolescents. 31st Annual McMaster Psychiatry Research Day. Hamilton, Canada.
33. **Xu, A., Halladay, J., Woock, R., Scherer, J., Petker, T., Linton, V., MacKillop, J., Munn, C.** (2019, May). Mapping the evidence of brief interventions for cannabis use among emerging adults. 31st Annual McMaster Psychiatry Research Day. Hamilton, Canada.
